## Africa Festival of Arts and Culture (AFRIFEST) 2016

The annual Africa Festival of Arts and Culture will take place at the Sackville Landing, on Lower Water Street, in Halifax. This year's festival is a vibrant revival of 2015 Africa Festival of Arts and Culture. The festival will begin on Friday, July 22th 2016 and end on Sunday, July 24th 2016.

Afrifest showcases visual and performing arts, as well as the culture of people of African descent. Artists who participate in the festival are Diasporas from Nigeria, Ghana, Burkina Faso, Sudan, Gambia, Zambia, Togo, Congo, Uganda, Somalia, Eritrean, Ethiopia, Burundi, Sierra Leone, the Caribbean and African Nova Scotia Community. Their artistic works include visual arts, drumming, jazz, hip-hop, gospel, spoken-word and more.

The festival is an enabling environment for African Canadian artists, allowing them to come together to perform, share and show case their various talents. Furthermore, the festival is an enabling environment for teamwork, skills exchange and social interactions between African Diaspora organizations, African Nova Scotian organizations and other Canadian organizations. This year festival is again accommodating and attracting attention from performers from Montreal, Toronto, Nigeria, Kenya, Cameroon, Ghana, Senegal, the Caribbean and Italy.

The festival continues to support artistic expression and the pursuit of excellence and innovation allowing artists to share their talents and their various experiences. It provides exposure for young and talented artists. Not only that, Afrifest aims to educate people of all ages about the culture and artistic works of people of African descent.

Since the festivals conception in 2010, over 3,500 people attend the festival every year. The previous number includes children, youths, adults and seniors. Our statistics shows that approximately 40% of the festival attendants are between the ages of 20 and 40 years, while 20% are between the ages of 40 to 60 years. Moreover, 20% are between the ages of 10 and 20 years, while 10% are under 10 years. The remaining 10% are 65 years and over.

## Africa Heritage Month Gala

The month of February is dedicated for the celebration of African heritage in Canada and United States. The Africa Festival of Arts and Culture Society (AFACS) recognizes the need for this important celebration; hence developed initiatives that promote and recognizes the participation and contributions of people of African Descent to the development of Canada and Nova Scotia. The objective of AFACS Africa Heritage Month Gala and Events is to highlight the contribution of the people of African Descent to the development of Canada and Nova Scotia and celebrate our heritage.

AFACS partners with local community groups, Canadian government, local universities and local businesses to raise awareness and highlight the contributions of people of African descent in the social, business, and civic life of the province. The Gala attracts audiences from across Halifax County and beyond. The 2016 gala was the first of this annual celebration, with over 150 people in attendance. Future celebrations are predicted to attract over 350 people for the gala and over 250 people for the day time event.

AFACS is inviting your organization to become a partner and join other partners in moving this initiative beyond its current level. As a major sponsor and partner, your business log will be associated with all our promotional materials during the Africa Heritage Month Gala and Events, also during the AFACS summer festival.

The next African Heritage month is February 2017; AFACS has set aside the weekend of February 11, 2017 as our activity week. AFACS plans to bring Amadou Kienou, from Toronto and possibly Sory Camara Ballet of Senegal (Sponsors needed), to conduct workshops on African drums as part of our day time activities, these groups will also perform at the prime time Gala that night. Other local groups and out of province groups will participate.

We hope your organization will be proud to associate its name with AFACS.

## About Us

#### Mission Statement

The mission of the Africa Festival of Arts and Culture Society (AFACS) is to encourage and provide successful exposure and community awareness of African arts and culture in Nova Scotia. - e) To sustain a collaborative and cooperative relationship with public and private agencies.

## Festival History

The Africa Festival of Arts and Culture (AFRIFEST) is an annual festival that showcases the unique cultural heritage and artistic works of people of African descent living in Nova Scotia. Major events in the festival are based in arts, crafts, foods, and performing arts of people of African descent. Artists participating in the festival are Diasporas from Nigeria, Ghana, Sudan, Ethiopia, Eritrea, Gambia, Zimbabwe, Zambia, Togo, Uganda, Somalia, the Caribbean and African Nova Scotian community.

The festival provides a platform for racial and religious integration. It also provides a forum with the potential to help integrate new immigrants of African descent into the Canadian multicultural society of Nova Scotia, enhance public education, and highlight awareness of the unique culture of Africa's decedents.

The festival has been held for five years. The Association of Nigerians in Nova Scotia (ANNS) sponsored the first festival in 2010. The participation of other African communities has inspired expanding the future organizing committee to reflect the parties participating in the festival. This expansion enabled the creation of the Africa Festival of Arts and Culture Society (AFACS) in 2010 and its subsequent registration in 2011 with the Nova Scotia Registry of Joint Stocks of Company. AFACS is a board-managed organization with board members elected or appointed by community groups that identify with the AFACS.

The organizing committee has developed plan and management structure over the past six festivals (2010, 2011, 2012, 2013, 2014 and 2015). This structure enables efficient execution and management of the festival. However, AFACS has limited but effective promotion and publicity plans. AFACS partners with local radio, regional television stations, and local newsprints to promote the festival. The society also partners with our performers to promote the festival through their various websites and electronic networks.

The rudimentary statistics on public outreach show that over 300,000 people had direct or indirect knowledge of the 2015 festival. This year AFACS plans to expand this reach to 500,000 people. In 2015 the festival attendance target was set to 1% of the publicity and marketing reach, which is approximately 3,500 people. The record shows that approximately 3,800 people attended the 2015 festival. The target attendance this year is 1% of 500,000 people targeted by the society's public outreach and promotion.

The festival is open to the general public at no cost. The last two editions of the Africa festival of Arts and Culture were extremely well covered by the press prior to and during the festival. This year the society plans to expand press and media coverage of the festival and AFACS will ensure wider target audience for our sponsors.
